Re: Serving those who serve: Volunteers needed for 2019 lawn mowing event and season of mowing

For the third year, Briggs & Stratton will host an employee volunteer event centered around mowing lawns for those in need. This year we will **serve those who serve** by providing a day of lawn care to local veterans and military families. Additionally, we'll provide an entire season of lawn care to two veteran or military families in need (families yet to be identified).

Volunteers needed! Serving those who serve by mowing 100 lawns on May 16 *(rain date May 17)*

During the afternoon of Thursday, May 16, we have a goal of mowing, blowing and trimming the lawns of 100 veteran and military families.

Here's a brief outline of the afternoon (additional details will be sent to those who sign up):

- 12:30 p.m. Lunch and event details in the Auditorium
- 1 p.m. Teams of two depart to mow lawns (approximately two lawns per team)
- 3:30 p.m. Gather in loading dock as lawns are completed for refreshments and an event debrief

The Milwaukee Brewers have caught wind of this event and would like to join us. While the players will be on the road, we will be joined by members from the Brewers staff, grounds crew ... and the racing sausages!

We need all the help we can get to make this event a success. [Sign up here by April 19.](#)

****We need to identify about 20 more lawns to mow. Do you know a veteran or military family who lives within 7-10 miles of our office? Submit their information [here](#) (if you have more than one home to submit, please fill out a new form for each).****

Volunteers needed! Season of lawn care - begin at first cut

In order to have a deeper impact, we'd like to provide a season of lawn care for two veteran or military families (first cut through October). As we have contact with more families and hear their stories, we will determine which two are in greatest need of our help.

How it will work:

- We need four employee volunteers per week (teams of two, each team does one lawn) to mow, blow and trim the yards
- Homes will be within seven miles of our office and can be completed within an hour
- Equipment will be provided and maintained by Briggs & Stratton
- [Sign up here](#) and we'll be in touch with more details

Thanks in advance for helping us give back to some of our local heroes!
