Commander's Message

By Alex Kolander, 414-322-8702

GREETINGS FELLOW LEGIONNAIRES:

I would like to wish everyone a very merry Christmas and a very happy New Year.

I pray this year was enjoyable to all and for those who lost their loved ones may God bless those still here and the memories of those gone by may remain in our hearts forever with joy.

Please mark your calendars for our Christmas party with our partners (Coldwell Bankers Realty), on December 7th from 11:30 AM to about 3 PM. Please see the flyer elsewhere in our newsletter. Bring children, grandchildren, dogs, friends and neighbors to enjoy the festivities. Burgers, brats and dogs available for purchase as an added fundraiser. Free pictures taken with children and/or dogs for your Christmas card. Children's activities in the hall area. Do not forget about the half cow raffle where you can win around 600 pounds of cut to your choice meat. Only 40 tickets will be sold @ \$100 ea.

Also, mark your calendars for our casino night on February 18th, where I will be barbecuing a 150-pound pig again.

Anyone interested in tending bar on Friday or Saturday evenings please contact me for details. Please check around for an interested person willing to help out a Veterans organization.

Also, anyone interested in leasing the hall along with the kitchen please contact me. It would be wonderful to, again, serve Friday night fish fry.

Remember, you can help out by running your own fund raiser event. Contact myself to schedule your

A very large THANK YOU for those contributing to our annual fund raiser. It is never too late to do so!

AND GOD SAID:

Every year Tammy and myself go to the Sturgis motorcycle rally. I was handed the following prayer by a Christian motorcycle group I would like to share with you;

“Lord Jesus, I know I have messed up in my life and caused a lot of pain to myself and others around me. I know I can’t help myself. I believe you died for me, to make way for me to come clean. Dear Jesus, please come into my life and remove the stains and the pain, save me, take me to heaven when I die, and give me the perfect life you designed for me. Fill me with the Holy Spirit so I can be strong to live for you and honor you in all that I think, do, and say. Thank you, Lord, Amen.

Post News:

REMINDERS: The Post Santa Saturday Extravaganza is this coming Saturday on December 7th from 11:30a – 3:30p. Food is available with deserts for purchase. \$100.00 half cow raffle only 40 tickets for purchase.

The Post Annual Giving Fund letters were sent out recently to all Post Members. Please read your letter and return your Donor Card in the enclosed envelope and contribute whatever amount you can afford to. By doing so it will help keep your Post’s operating expenses more manageable. Our current Monthly expenses remain high and although we are cutting back where we can, we really could use your support. Remember that this is your Memorial Building, and we are all owners of it. We do not have many fundraisers throughout the year anymore and this is a great way to show your support.

Honor Guard News:

I would like to thank The Hajek Family, The Rudolph Family, The Flores Family, The Carnako Family, The Stamm Family, The Solomon Family, The Keehn Family, The Weil Family, for their generous donation to the Honor Guard for providing Military Honors for their loved ones.

Post Member Reminder: Please make sure that you renew your membership for 2024. The cost is \$45.00 and keeps you current in your continuous year’s status. If you have not received or misplaced your renewal notice, send a

check to Adjutant, Post 449, 3245 N 124th St, Brookfield, WI 53005. The Adjutant will issue you a new card which can be used to receive many veteran discounts at many stores. Please do not let your membership lapse.

VA NEWS & INFORMATION:

Did you know float therapy (also known as sensory deprivation or isolation tank therapy), has shown promising results in addressing various issues that veterans often face, including post-traumatic stress disorder (PTSD), anxiety, depression, insomnia and chronic pain? The weightless environment created by the float chamber encourages deep relaxation and can provide significant relief from both physical and mental stress.

Did you know the U.S. Department of Veterans Affairs (VA) delivered more care and more benefits to more Veterans than ever before in fiscal year 2024? VA delivered \$187 billion in benefits (including \$173 billion in compensation and pension benefits) to 6.7 million Veterans and survivors this year – all of which are all-time records. VA also processed 2,517,519 disability benefit claims, a 27% increase over last year's all-time record.

Did you know Cognitive Behavioral Therapy for Nightmares (CBT-N) helps veterans get better sleep? CBT-N is designed to help veterans confront and manage their trauma-induced nightmares. CBT-N also incorporates relaxation techniques and builds on CBT for Insomnia (CBT-I), an older treatment built to help those struggling to fall asleep or stay asleep. CBT-I has a long track record of effectively helping people to improve their quantity and quality of sleep in 5-8 weeks.

Veterans are often surprised to discover that they can still access valuable VA benefits even with a 0% disability rating. This information may be one of the VA's best-kept secrets, as it is not widely discussed within the veteran community. Moreover, many Veteran Service Organizations (VSOs) seldom mention this possibility, leaving veterans unaware of the potential resources available to them. Understanding these benefits is crucial, as it empowers veterans to fully leverage the support they have earned through their service.

Did you know military spouses experience a range of health challenges related to the stresses of military life? For instance, military spouses experience high rates of anxiety, and depression due to the stress of deployments, frequent relocations, and the challenges of single parenting during deployments. Also, many military spouses report the stress of military life can contribute to physical health issues such as chronic fatigue syndrome, autoimmune disorders, and cardiovascular problems. Substance abuse is another challenge many military spouses face. Some spouses turn to alcohol or drugs as coping mechanisms for the stress and isolation often associated with military life.

A Clear and Unmistakable Error (CUE) is a specific type of mistake made by the Department of Veterans Affairs (VA) in adjudicating a claim for veteran benefits. This error must be both clear and unmistakable, meaning that the mistake is obvious and would have led to a different outcome had it not occurred. CUEs can include incorrect application of law, failure to consider relevant evidence, or misinterpretation of the facts surrounding a veteran's case. Recognizing a CUE is crucial for veterans, as it empowers them to challenge decisions that may have adversely affected their benefits and entitlements.

While many are familiar with the more visible symptoms of PTSD, such as flashbacks and nightmares, a crucial aspect often overlooked is the subtle emotional and cognitive changes that can significantly impact a veteran's daily life. These may include heightened anxiety, difficulty concentrating, or a pervasive sense of numbness. Understanding these nuances is vital for veterans, as they can contribute to feelings of isolation and frustration. Research indicates that nearly 30% of veterans experience PTSD at some point in their lives, yet many may not recognize these less obvious symptoms as part of their condition.

Did you know tinnitus, or ringing in the ear, is the leading disability in the United States Department of Veterans Affairs (VA)? About 60% of Vietnam veterans and 50% of Gulf War veterans suffer from hearing loss. It is estimated that probably one out of every three veterans has some degree of hearing loss or tinnitus.

The Department of Veterans Affairs (VA) is set to designate additional presumptive conditions, which will significantly broaden the eligibility for benefits among our veteran community. This pivotal decision stands to positively impact countless veterans who have long sought compensation for health issues linked to their

service but faced obstacles in proving their claims. Presumptive conditions are those illnesses that the VA recognizes as being directly associated with specific service-related exposures, thus simplifying and expediting the process for veterans to access the benefits they rightfully deserve.

Starting in 2025, you'll need to use a Login.gov or ID.me account to sign in to manage your VA health and benefits online. After January 31, 2025, we'll remove the option to sign in with a My HealtheVet user ID and password. You'll still be able to use your My HealtheVet health portal—you'll just need to sign in using a Login.gov or ID.me account. Create your account and log in using it today so you're all set before January 31, 2025

Veterans often face unique challenges that can significantly impact their quality of life, including the emotional and physical struggles associated with erectile dysfunction, which may be linked to depression for many veterans. It is vital to understand that these health issues are not merely personal battles but can also be recognized as conditions eligible for compensation through the Department of Veterans Affairs (VA).

Many veterans may be living with a secondary condition that could significantly enhance their VA compensation rating, yet remain unaware of its potential impact. This situation is not uncommon, as several veterans experience various health issues stemming from their service, often without recognizing the connection to their eligibility for increased benefits.

Did you know mental health issues are a significant concern for many veterans with anxiety and PTSD, as it often amplifies the unique challenges many veterans faced during their service? Mental health issues can severely impact a veteran's quality of life, making it difficult to work, maintain relationships and enjoy the everyday activities they once loved.

Did you know the American Legion serves as a vital advocate for veterans, acting as a driving force behind efforts to secure essential benefits that are crucial for their well-being and transition back into civilian life? By tirelessly championing the rights and needs of veterans, the American Legion not only amplifies their voices but also aligns seamlessly with the mission of organizations like USVCP, which focuses on empowerment and support for all veterans.

The VA rule that is a significant development that can profoundly enhance the lives of veterans by allowing for higher ratings and increased benefits. It is not just a

bureaucratic adjustment; it directly impacts your quality of life, providing the potential for greater financial support and access to essential resources.

Exciting news for our brave veterans! The House has just passed a groundbreaking new law that is set to significantly enhance the benefits available to those who have served our country. This pivotal legislation not only acknowledges the sacrifices made by our veterans but also opens up new avenues for support and resources that can improve the quality of life and their dependents.

Did you know shrapnel poisoning is a serious condition that arises from exposure to metallic fragments produced by explosive devices? These fragments can penetrate the body, leading to a range of health issues that may not be immediately apparent. Symptoms of shrapnel poisoning can vary widely and may include pain at the injury site, swelling, infection, and in some cases, systemic responses that affect overall health.

2025 Rental Season

5/24 - 10/6

Our committee volunteers made the trek to the Wisconsin's northwoods to winterize the Elmbrook cabins. Perfect weather allowed us to remove the ramp at the Graff cabin and repair all the rotting wood around that area of the cabin. Other maintenance was also accomplished to keep these treasured assets in prime shape.

I heartfelt thanks to this year's renters for their support and help in taking such wonderful care of each cabin.

Only 175 days until next year's rental season. Start your planning for next year's vacation.

The Committee wishes everyone a wonderful holiday season. Enjoy the coming winter months with expectations of an early spring!

I'd like to wish everyone a very Merry Christmas and a happy and healthy New Year. Our Christmas party will be at the Waters retirement community party room. Please see Lilli's article for more information.

December 1st we met with a lot of auxiliary members from around the state to wrap presents to family members from the Veterans. Christmas gift shops bought with donations from units and private donors

Thank everyone for their help.
Hope to see you all at the Christmas potluck.

Many thanks to all who participated in our Halloween Fundraiser in any way, including putting it together, working during it, making raffle baskets, donating wine for the wine pull, or attending it. Enough funds were raised to pay our 3 months over-due rent. We are not floating in funds at this point but it is a start in the right direction and will hold us over until our next fund raiser.

Our membership for 2025 is slowly rising and with the holidays upon us and just over 4 weeks before the start of the 2025 membership year, members should be wrapping things up and getting their 2025 dues in.

Comments from National Membership Chair April Sinclair: "Membership is everywhere - no matter what we do on a daily basis, in all we do, there is membership. Your Membership Committee met last night for our monthly team touchpoint, one thing for sure in discussion we all agreed that Membership is in everything, every program, every event, every engagement, every personal encounter, whether out shopping, book clubs, exercising at the gym, churches, airports (you get the idea) there within our reach is - Membership. We just need to ask, #JustAsk.

Just think about it - in the upcoming events over the course of the next few months....ALL the opportunities we'll have to engage with potential members to join the Legion Family....Be ready, you as an individual can be prepared by having an application with you, or where to go for an application and most of all have your elevator speech ready, let our little light shine."

"Believe you can and you're halfway there" Theodore Roosevelt

Wishing you all a Blessed Holiday Season!

I regret the passing of Lorraine Marks on July 21st. She was 100 years old. A long time resident of Elm Grove. I have also learned of the passing of Larry Decker, husband of Claire. Please keep them in your thoughts and prayers.

We had a nice group of ladies at our November meeting. Hope to see more on our 'Holiday' meeting on December 17th. You do not want to miss this one. A dish to pass is most welcome. We will also have a white elephant exchange should you choose to participate.

Do not miss the Cookie Walk Sale on December 14th. Come early as this event is a sell-out. This our last fund raiser of the year. This will benefit the veterans and their families.

May you all have a wonderful Holiday and the happiest of New Years

The Four Membership Agreements

1. Be Impeccable With Your Word

Speak with integrity. Avoid using your word to speak against yourself or to gossip against others. Use the power of your word in the direction of truth and love.

2. Don't Take Anything Personally

Nothing others do is because of you. What others say and do is a projection of their own reality, their own dream.

When you are immune to the opinions of others, you won't be the victim of needless suffering.

3. Don't Make Assumptions

Find the courage to ask Questions and to express what you really want. Communicate with others clearly as you can avoid misunderstandings, sadness, and drama. With just this one agreement, you can transform your life.

4. Always Do Your Best

Your best is going to change from moment to moment; it will be different when you are healthy as opposed to sick. Under an circumstances, simply do your best and you will avoid self-judgment, self-abuse, and regret.
